

Russia May Play Role In Pacific

Aim To Down Imperialism In Germany For All Of Future

By ALEX H. SINGLETON
LONDON, July 7.—(AP)—Chinese Premier T. V. So-n's mission to Moscow raised increasing speculation in diplomatic quarters today over the possibility that Russia's role in the Pacific war would occupy a top place on the agenda of the approaching big three conference.

The belief that Russia eventually would enter the war against Japan has been based on three factors:

- 1—Long standing suspicion, which has resulted in both countries' maintaining strong armies on Russia's eastern border.
- 2—Russia's demonstrated determination, as evidenced by a request to participate in the Tanager discussion, to have a voice in settlements involving areas important to the preservation of world stability.
- 3—Soviet determination to surround the country with friendly governments, as demonstrated by the pressure which forced the creation of a new Polish government.

Snuff Out Nazism

By EDDY GILMORE
MOSCOW, July 7.—(AP)—The Russians as they approach the "victory" conference of the big three are determined to reach agreements with their Allies that will snuff out German imperialism forever and ensure that a Hitler never again will rise to power.

The Soviets do not want just a stopgap measure this time. In this connection, they believe that their Allies are making a serious mistake in handling the German people.

First of all, the Russians believe it is imperative that a better Germany must swell from the German people and not develop from repressive measures imposed upon them.

They feel that the Allies are guilty of bad judgment when they outlaw all political parties and do not allow mass gatherings of Germans for political discussions. The Red army occupying forces have legalized all anti-Fascist parties in their zones. They have recognized trade unions and they allow meetings.

Eye On Organizations

It goes without saying that the Soviets are keeping an eye on every organization which calls itself anti-Fascist and on every meeting dedicated to German democracy. The first sign that any of these gatherings might be used as an undercover for Nazism or for the revival of German militarism to even the slightest extent will see quick counter measures.

The Russians are concerned with the international cartel situation and unquestionably will bring this up. They will wish proof and definite reassurances that German industrialists have not gone underground and found other places of work possibly in other countries.

The U. S. S. R. probably will require assurances, especially from the United States that there will be no more loans to Germany whereby she might be able to rearm. This question undoubtedly will be talked out and assurances asked.

The Soviets are keenly interested in the trial of war criminals. They believe the Allies have been very slow in handling this question. With most of the high Nazi Germans in British and American hands, they feel these "arch criminals" should long ago have been brought to trial.

Eclipse Will Be Seen Here Early Monday

Sedalians who are up at 6:05 o'clock Monday morning will see one-half eclipse of the sun, which will be visible here until 6:58, according to Dr. J. E. Cannaday. Persons desiring to see it should look at it through smoked glasses, or stand near a tree and look through the small openings between the leaves, he stated, because it will be too bright for the eye otherwise.

'Nips' Call On Students To 'Sacrifice Selves'

SAN FRANCISCO, July 7.—(AP)—Japan called on students of high school age today to prepare to "sacrifice themselves" if necessary in defense of Nippon's home islands.

Domei News Agency, in a broadcast picked up by the FCC, said that Okinawa high school students who "died gloriously" fighting American troops would be honored, and that they should be emulated by Nippon's school children.

Trained For Their Job

Pearl Harbor, T. H.—From Uncle Sam's postal service in Sedalia, Mo., to the job of helping deliver the mail to navy men overseas seems like a big jump, but brothers Fred and Edward Brummet are taking it in stride. The two mailmen, third class, help handle the 1,500,000 pieces of first class mail which pass through the Fleet Post Office here daily. Before entering the navy a year ago, Edward worked as postal clerk and Fred was a letter carrier at Sedalia. Fred's wife lives in Sedalia's and Edward's in Emmetsburg, Iowa.

Mother Finds Youth Thrown Under Train, Babe Missing From Her Bed

Child Found By Mail Carrier Early Saturday, Unharmed

Sometime between the hours of 9:30 p. m. Friday and 12:30 a. m. Saturday, a baby girl, who will be one year old this month, was stolen from her bed and the home of her mother, Mrs. Eldon V. Smith, of Ottaville, while the mother was at the Ottaville Inn. She was found in safe condition, wrapped in a man's blue shirt, lying by the side of a mail box on a gravel road running from the railroad tracks south of Highway 50, by the mail carrier, making his morning schedule, at 8 o'clock Saturday morning.

It was evident that the baby had been there but a short while and had received good care during the early morning.

Mrs. Smith informed officers working on the case, Troopers Lloyd Amos, James Seelye and Pete Stohr, and Sheriff Leo J. Ross of Booneville, that she had left her living quarters at the back of the Standard filling station, on the highway, unlocked and had returned home at intervals to check the welfare of her baby, Carolyn Ann, and her other two daughters, aged almost two and three and one-half years, also sleeping there.

Search Was Started

When Mrs. Smith discovered her baby was gone, she immediately informed her mother-in-law, Mrs. Henry Smith, of Ottaville, who informed others, and a search was started. Lloyd Amos was called from Sedalia to the scene about 1:30 a. m. Saturday and, at about daylight, after a fruitless night of searching and questioning, was drinking coffee at the D-X station on the highway when the mail carrier, Herbert Kuhn, arrived to inform the officers that he had found the child unharmed.

Mrs. Smith's husband, Pfc. Eldon V. Smith, is serving with the Fourth Infantry division in the Philippine Islands.

Officers have made no arrests.

Joseph W. Hackler, Jr., Has Commission

Joseph W. Hackler, Jr., 20, has just been graduated from the Army Air Forces Navigation school at Hondo Army Air Field, Hondo, Tex., and has been commissioned a second lieutenant. He is now home on a fifteen day leave which he is spending with his mother, Mrs. Joseph W. Hackler, Sr., his sister, Stella and his brother, Martin, 2114 East Seventh street.

Prisoners Out Of Tourist Pullman Cars

OMAHA, July 7.—(AP)—A detachment of Italian prisoners of war who arrived in Omaha today riding in tourist pullman cars was taken off the train and made to continue its trip by coach, seventh service command headquarters announced.

The Italians were en route from the Monticello, Ark., prison camp to work at the Sioux Ordnance Depot, Sidney, Neb.

More Pay To Army Medical Corps Men

WASHINGTON, July 7.—(AP)—President Truman today signed legislation boosting by \$10 a month the pay of army medical corps men whose service record entitles them to a medical badge.

The badge and the pay boosts are similar to recognition given recently by congress to expert infantrymen.

Soviet Grip About Berlin

British And The Americans Await Solving Problem

By DANIEL DE LUCE

BERLIN, July 7.—(AP)—A temporary lack of coordination among the Allies on the governing of Berlin formed a disappointing overture tonight to the approaching big three meeting at Potsdam.

Soviet authorities continued in complete control of the military government here, and the common question in the minds of American military government officers was "why did we come to Berlin?"

High officials of the United States, Russia and Britain were reported attempting to solve the complex problems of food and boundaries.

Neither U. S. nor British military government detachments had taken over any district. U. S. forces supposedly occupied their zone Wednesday, when the stars and stripes were raised over the shattered capital. The British flag raising ceremony was yesterday.

The German municipal administration remained under the supervision of Russian to commanders acting on Soviet instructions.

Discuss Barter Deal

Food reserves in the Soviet zone were not being made available to sectors allotted the other Allies. It was reported a barter deal was under discussion on the highest levels under which the Russians would be paid "in kind" for such food.

Warm cordiality marked the direct relations of Russian officers with the Americans, who were puzzled by the haphazard arrangements for the Anglo-American sharing of Berlin with the Soviet Union.

American occupation forces confined their operations to a security patrol in the areas where U. S. troops are billeted. The patrols were forbidden to interfere in any way with the Russian troops or with Soviet truck crews that might be removing supplies from retail stores and wholesale warehouses. The patrols were ordered not to ask Russians to show their identification papers.

(Four leading British newspapers today published demands for unified Allied control of Germany. The editorials criticized the present plan of splitting the country into zones of occupation with different policies in each zone.)

Girl Student at Sedalia Airport Obtains Her CAA License

Miss Virginia Lee Slusher, 923 South Barrett avenue, observed Independence Day by completing her final tests and securing her commercial license from the Civil Aeronautics Administration—four days short of a year since she made her first solo hop at the Sedalia Municipal airport.

First student from the local field to obtain such a license, she also was first to gain her private license in September, 1944.

One of the requirements for taking the precision flight checks for the commercial license is a cross-country trip of three stops other than the take-off airport.

Family Affair

Miss Slusher made her cross-country a family affair early in June. Flying into the zone from the Sedalia port she landed in Marshall and picked up her brother, Sgt. David Slusher, who was on furlough from Ft. Leavenworth, Kas. From there they flew to Columbia, landed, then toured the sky-line to Jefferson City where they had lunch with their father, Emmet Slusher, of Lexington, who is president of the Missouri Farm Bureau federation, with offices in the capital city.

Upon the return to Sedalia the flight was completed. Miss Slusher had logged 20 hours of cross-country flying, and her record book shows 300 hours in the air.

Pfc F E Fowler Awaits Family From England

His Father Married French Girl During World War I

Pfc. Francis E. Fowler, son of Mr. and Mrs. Earl Fowler, 316 South Hancock avenue, who has received his honorable discharge from the U. S. army under the point system, with 107 points, is home and anxiously awaiting the arrival of his English wife, and five months old daughter, Ruby Marie.

The young English girl, who before her marriage to Mr. Fowler on January 27, 1944, was Amy May Brock, is a bit frightened at the thought of coming across a great ocean with her baby into a new country and so she has written her husband's mother, who after World War I, experienced the same feeling.

As a corporal in World War I, Earl Fowler, father of Francis E. Fowler, went to a foreign shore to fight for his country. He met a French girl by the name of Paulette Siegel, fell in love with her and on March 15, 1919 married her in Brest, France. They came to America on an army transport in 1919 going directly to his home in Springfield, Mo. For the past nine years they have been living in Sedalia. They have two sons besides Francis, both in service, Sgt. John R. Fowler, who has arrived home from overseas, in the European area, and is on a thirty day furlough and Paul Fowler, seaman 1/c in the quartermaster corps on a seaplane tender, and three daughters, Clara Marie, who is employed at the Sedalia Army Air Field, Bernadette, 10 years old and Antoinette, five years old.

Waiting For Permit

And so history repeated itself in the Fowler family and Francis, who could not bring his wife with him is waiting until she receives her permit to come to him.

Pfc. Fowler was in service more than three years and served two years and three months in England in the air corps. He was then transferred to the cavalry and served under General Patton in Czechoslovakia. He was awarded the presidential citation, the American Service Ribbon and has five combat stars.

Sedalia looked mighty good to him, young Fowler said, and after a rest he expects to find employment here and make a home here for his wife and baby. He is also happy that his brother, Sgt. Fowler is back from overseas and expected home at any time. It has been more than three years since they have seen each other although they were only fifty miles apart at one time in Germany.

Sgt. Fowler was with the Timberwolf division and participated in the Belgium, Holland and Germany campaigns. He was awarded the Combat Infantry Badge and two battle stars.

Ticketed For Pacific

The 11 divisions which have returned or are now arriving have been ticketed for the Pacific front. In addition, complete headquarters of the 1st army has returned en route to the Pacific.

The war department emphasized that the men who will fight with those divisions against the Japanese will not necessarily be the same ones who fought with the units against the Germans.

Here is the schedule for embarkation of the divisions for the five months beginning in August. For reasons of military security, the department said, no information is being given as to whether these units will be redeployed to the Pacific, assigned to the reserve in the United States, or disbanded.

August: 85th, 28th and 30th infantry divisions and the 20th armored division.

September: 14th, 5th, 6th and 7th armored divisions; the 17th airborne division; 88th, 91st, 35th, 45th and 103rd infantry divisions.

October: 9th armored division and the 92nd, 26th, 79th and 99th infantry divisions.

November: 10th armored division; 10th mountain division; 13th airborne; 83rd 63rd and 106th infantry divisions.

December: 2nd and 11th armies. (Please Turn To Page 4 Col. 1)

Fight German Cartel System

WASHINGTON, July 7.—(AP)—A vigorous campaign to smash the German cartel system lest it become the springboard for another war has been started by the United States.

State and war department sources who declined to be identified said today that American army seizure of the I. G. Farben plants and assets in the U. S. occupied zone in Germany was only the "forerunner" to additional similar actions.

Although the United States currently is moving on its own, it was learned that the Allied control council will be used to adopt a uniform policy in all zones to deal with the problem.

A state department Cartel expert also indicated that the Allied control council would be the agent for taking over German interests in other countries, including South American acting in place of the defunct German government.

Plenty Of Wool Blankets

WASHINGTON, July 7.—(AP)—There'll be plenty of wool blankets for civilians when the snow dies again.

The War Production Board gave this assurance today in announcing revocation of an order that had tagged the full output for the military.

Elimination of the order, put into effect June 17, was made possible by a reduction of 5,000,000 yards in the army's wool blanket requirements for the July-September quarter.

Brother Sends Souvenirs

Brother William Pugh, 310 East Third street, has received two souvenirs from her brother Pvt. Glenn Strange, who is somewhere in New Guinea. One is a beautiful hair dress Japanese comb and the other a necklace of which she prizes highly.

Superforts In Raids Five Jap Cities In Pre-Dawn Bombing

Aussies Are Moving Deeper Into Borneo

Push Inland For Six Miles Beyond Balikpapan Port

MANILA, Sunday, July 8.—(AP)—Australian Seventh division troops have pushed six miles northeastward beyond the now-secured Borneo oil port of Balikpapan and are thrusting steadily inland from Penadjan Point, across Balikpapan Bay, a southwest Pacific commune reported today.

Other elements of the same Australian division were driving northward towards the Samarinda and Samarinda oil fields, 23 and 55 miles, respectively, northeast of Balikpapan. Mined roads and artillery fire were used by the withdrawing enemy to defend these last two important Japanese-held oil areas.

One Japanese plane raided the Balikpapan area without result, and Allied planes supporting the ground offensive "ranged at will over Borneo," Gen. Douglas MacArthur's communique said. Two Japanese freighters were destroyed at the southern port of Bandjermasin.

In their flight northward, the Japanese had the choice of a death stand, surrender in the Marshy oil land, or escape into the unexplored jungle domain of the head-hunting Dyaks to the westward.

Allied planes covered the Australian ground fighters and destroyed two Japanese freighters off Bandjermasin, on the south coast of Borneo, Gen. Douglas MacArthur's communique said.

Thirty Mustang fighter-bombers of the Fifth air force, newly moved to Okinawa from the Philippines, shot down four enemy planes and probably two more in sweeps over Sasebo, Japanese naval base, and Omura, on Kyushu Island in the Nipponese homeland.

Statistics For Pettis County

Vital statistics for Pettis county, for the period from January 1, 1945, to July 1, 1945, compared with the same period of 1944, have been compiled by Mrs. H. G. Berger, 618 East Broadway, Pettis county registrar. They are:

B' ths, 1944	307
Births, 1945	319
Deaths, 1944	220
Deaths, 1945	166
Still births, 1944	15
Still births, 1945	13

Mrs. Berger has given considerable time, without any remuneration, to assisting persons born in this county in obtaining a birth certificate. She received letters from all over the country, from persons born here, who ask her aid in obtaining their birth certificates, and in most instances she is able to help them.

Be No Pullmans For Short Runs

By Sterling F. Green

WASHINGTON, July 7.—(AP)—The Association of American Railroads predicted today the ban on pullman cars for short runs might last three to five months as troop redeployment sending passenger mileage to record-smashing levels.

Arrivals of Pacific-bound troops from Europe were one-third greater than expected in June and apparently will run 40 per cent greater this month, it was reported.

This will shorten the coming crisis in domestic transportation—which had been expected to run until March—but will throw an unprecedented burden on the nation's railroads through the entire vacation-travel peak.

The Office of Defense Transportation, which last night prohibited the use of sleeping cars on runs under 450 miles, said the order would apply to soldiers and sailors on furlough travel as well as to civilians. Railroads simply will not assign pullmans to short runs after July 15, thereby freezing nearly 900 cars for organized troop movements.

Unscathed In War Wounded On Return

KANSAS CITY, July 7.—(AP)—Jimmie Dowell 19, a veteran of the French and German campaigns didn't even get scratched until he came to visit his uncle.

Jimmie and his folks came up from Iola, Kas., to spend the week end with his uncle, Zary Dowell.

This morning after breakfast, while he was recounting his battle experiences, another uncle, Elmer Huskey, was bringing his 22 from the car to the house for safe keeping when it accidentally discharged. The bullet crashed through a kitchen window and buried itself in Jimmie's shoulder.

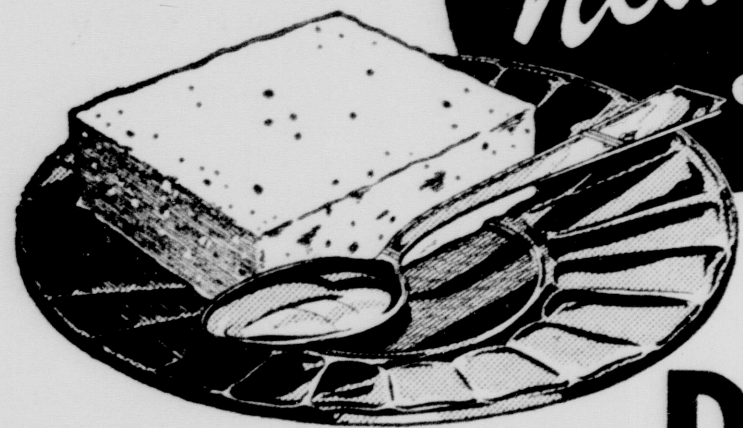

Jimmie was taken to the army hospital at Ft. Leavenworth where the bullet was removed. The wound is not considered serious.

THE MUSCLE-PROOF WATCH

Facts and fallacies about your timepiece

No watch keeps perfect time. Fine American railroad watches will run from one half to a full second fast or slow every day, and one of the most expensive watches you can buy—a little number which retails for around \$5,000—will be off one eighteenth of a second every day.

"Don't wind it too tight or you'll break the spring!" That old warning is meaningless today. The strongest man on earth couldn't wind most modern watches hard enough to break the mainspring. Manufacturers have made them "muscle-proof." Tiny watches are just as accurate as big ones when they're properly adjusted, but they can seldom take as much punishment. Watches of the diameter of a dime and the thickness of a half dollar can't be expected to absorb as many hard knocks as a standard railroad-sized turnip.

Watches, like dogs, behave differently for different masters. One which is exceptionally accurate when worn by a sedentary businessman, for example, may become erratic when borrowed by his athletic son or jitterbug daughter. This is because every time you move you change the position of your watch in relation to the earth's core, and the tug of gravity gives varying stresses to its gears and bearings. If your watch happens to become magnetized by a dynamo or an X-ray machine, there's a simple way to take out the juice. Expose it to the same magnetic field again, and twirl it 'round and 'round as you retreat from it.

The same watch will keep different time in winter and summer, indoors and out. In zero temperature the average watch will lose ten seconds in twenty-four hours; under a blazing sun it will gain ten. This is not due, as generally believed, to the contraction

and expansion of the metal working parts, unless the watch is a very cheap one. It's because even the best lubricating oil thickens in cold weather, gets thin in hot weather. Compensatory balance wheels and hair-springs manufactured of a new temperature-proof metal alloy have greatly reduced weather errors in timepieces of all kinds.

When you set your watch, turning the hands backward won't hurt it a bit. Only in striking clocks must the hands be moved forward. A smooth descent from 30,000 feet in the stratosphere to sea level won't disturb a good watch one iota—it's been tried—but a jerky drop of one foot may break the balance staff or snap the hairspring. Thus, if you wear a wristwatch, don't bang the table to attract a waiter.

Some people boast they're so full of animal magnetism that watches won't keep time. That's nonsense. Laboratory tests have shown that no one is that much of a live wire. Usually, such persons just forget to set their watches.

Most people know that sudden cold sometimes snaps mainsprings, but many are not aware that thunderstorms are even worse saboteurs. Electrical discharges in the atmosphere during a storm often attack minute carbon-sulphur flaws in the steel, causing it to break and jam the works.

If you must open your watch to let Junior see the wheels go 'round, perform the operation in an air conditioned room. Otherwise, you may have to pay for a repair job. Infinitesimal particles of dust can clog the works, and if damp air get into your watch, the moisture will condense later and may cause rust. Rust ruins more watches than all other causes combined.

SERVICE. ALL WORK DONE IN TURN

Dr. Cannaday Gives Talk on Bible Plants

Introduced by
Mrs. John Murrell,
BPWC Chairman

Dr. J. E. Cannaday, guest speaker at the dinner meeting of the Sedalia Business and Professional Women's club Thursday night, at the Bothwell hotel, spoke on "Plants of the Bible."

Dr. Cannaday told of the many plants mentioned in the different passages of the Bible, and of the meaning to the people. They are all God-given plants, he said, each has its own use, and the remarkable thing is that the people knew their uses. He spoke of millet, manna, mint, cucumbers, mustard seed, myrrh, and many other plants, each with its own use, not so much for beauty but for health. Moses and the people of Biblical times, he said, knew much more body hygiene than we know today. They probably didn't know of vitamins and food values as we know them, but they knew the essential foods and how to use them far better than we do today. Dr. Cannaday remarked on the strange fact that the same air minerals, and sunshine that produce life-giving plants, also produce plants that are deadly poison.

Mrs. Murrell Chairman

The speaker was introduced by Mrs. John Murrell, program chairman.

Miss Bertha Rose, president of the club, presided over the business session. Donald Gene Wells played two piano numbers, then responded to an encore. Mrs. William Ward, club member, sang two vocal solos, accompanied by Mrs. W. L. Monegan, club musician.

Miss Hazel Lang was a guest of the president.

Press War On Evaders Of Taxes

WASHINGTON, July 7—(AP)—No matter who succeeds Henry Morgenthau, Jr., as secretary of the treasury, the war on tax evaders will go on.

That appeared certain Friday, for several reasons:

1. President Truman has endorsed the drive in the strongest terms.

2. Congress has approved it by quickly providing additional millions of dollars to expand the bureau of internal revenue. The appropriations committee of the house and senate were hearty in their support, and they are the holders of the purse strings.

3. Hundreds of newspaper editorials have commended the treasury for going after suspected tax cheaters.

4. The tax-evasion drive offers a ready-made opportunity for the new secretary of the treasury, whoever he may be, to get off on the right foot. Usually a new cabinet officer passes through a quiet period while he studies his job and decides what changes to make and what subjects to concentrate on. The new secretary of the treasury, however, can immediately grab this ball and carry it, with the sure knowledge that exposing big tax frauds will be popular.

More Butter At Fewer Points

Heavy Demand In June And Early July For Eggs

By THE ASSOCIATED PRESS
Civilians will get a little more butter for a little less ration points next month.

The agriculture department and Office of Price Administration, in a joint announcement Saturday said revised war requirements will make possible an increase of about 12 per cent in the civilian butter supply.

The new point value will be announced later. It is expected to be 20 points a pound instead of the current 24 points, effective July 29.

The August civilian supply will total 90,000,000 pounds, 10,000,000 more than the allotment for each of the last few months.

Reflecting somewhat reduced military requirements and a prospective lower level of production, the government will require butter makers to set aside only 30 per cent of their August output for war uses. This compares with 50 per cent this month.

Decision to lower ration values followed reports that the commodity is accumulating in civilian distribution channels.

An Associated Press survey showed this to be the situation generally throughout the country. An example was Pennsylvania, where food officials said 1,817, 172 pounds were in storage, 854, 249 pounds more than last month.

Egg Supply Shorter

Meanwhile, the egg supply tightened further. With production running below a year ago, the agriculture department reported that during June and early July, demand exceeded the available current supply by an increasing margin. Many grocers limited customers to as little as three eggs each.

Live and dressed poultry supplies at terminal markets continued far below trade demands, reflecting heavier consumption nearer points of production.

The meat situation, like some of the meat, remained tough. Adequate supplies apparently are several generations of cattle and pigs away. The agriculture department said civilian supplies of meat are expected to remain below demand at ceiling prices during the remainder of this year and in the first half of 1946, despite prospects for a slightly greater output of meat during the spring and summer of 1946.

More Divisions Soon Be Back

ored divisions; and the 34th, 90th, 80th and 76th infantry divisions. The second armored divisions, booked to sail in December, recently entered Berlin.

The eighth divisions which currently are designated as occupation forces in the European and Mediterranean theaters are the 1st and 4th armored divisions; and the 1st, 3rd, 9th, 29th and 36th infantry divisions and the 82nd airborne division.

The 18 divisions scheduled to remain in the European theater for the remainder of 1945, presumably as a result of the tight shipping situation, are the 3rd, 8th, 12th and 16th armored divisions, the 101st airborne division; and the 42nd, 65th, 66th, 69th, 70th, 71st, 75th, 78th, 84th, 89th, 94th, 100th and 102nd infantry divisions.

Earl Gregory, Houstonia, whose car was also in the wreck and who was charged with careless driving, was found not guilty by the court and dismissed. He was refunded his \$10 cash bond.

Refuses \$450,000 For English Derby Winner

ASCOT, England, July 7.—(AP)—Sir Eric Ohlson said today he had refused an offer of \$450,000 for his 1945 Derby winner, Dante. "I am not at liberty to say who made that offer," Sir Eric added, "beyond the fact that it came from the British Isles and not from abroad."

The British press association said the highest price ever paid by an Englishman for a horse was the \$240,000 which M. H. Benson gave for Italian Champion, Dante's sire.

Sacred Heart Loses To Eagles 11 To 0

Lee Cozad pitched a one hitter Friday evening and the Missouri Pacific Eagles softball team won a 11 to 0 decision over the Sacred Heart club in a night game played at Liberty park before a large crowd.

The Eagles were away to a flying start by scoring three runs in the first inning and kept at the scoring during the game.

Cozad was opposed on the mound by Hayes a fast ball pitcher but he could not stop the fast stepping Eagles who are one of the best clubs in this vicinity. Harry Satterwhite, former star third-sacker for various softball teams joined the team Friday and played his first game with his new club.

Lineup for the Eagles: Studer 1b, Garrison 2b, Ellsworth ss, Satterwhite 3b, Shirley st, Hyatt lf, Paull cf, Nichols rf, Norman c and Cozad p.

Winners In Top Handicap Races

Bric A Bac A Winner

ARCADIA, Calif., July 7.—(AP)—Bric A Bac won the \$50,000 San Juan Capistrano handicap, closing day feature race at Santa Anita park today, followed by the ten-year-old Wing and Wing and Best Effort. The time was 2:30 4/5. Gay Dalton, hero of Mexico and the overnight favorite, finished fifth.

Bric A Bac, the Freeman and Church entry, carried 122 pounds in defeating nine opponents in the mile and a half run. Jockey Conn McCreary, who flew here from New York for the purpose, was aboard.

Lt. G. H. Abney On Hospital Ship

Lt. G. H. Abney, DC, USNR, who formerly practiced at 501 South Engineer avenue, is now attached to a navy hospital in the Pacific ocean area.

During the four months he has been at this activity he has had some distinguished patients, among them being Admiral Wm. F. Halsey, Admiral Andrews, Admiral W. W. Smith, Admiral Calaghan, and the Prince of Kwajalein.

The prince was a casualty of the invasion and has since been a patient at this navy hospital. He is very much impressed with the American medical and dental care and is anxious for some of them to settle on Kwajalein after the war so that his people may share in his excellent care.

Mrs. Abney and daughter Carolyn, who are located with Lt. Abney's father at 1601 East Broadway, recently received a box from Lt. Abney which included a tablecloth with napkins, shell necklace, straw purse, native shirts, collection of sea shells and some coconut novelties.

Execution For 102 Soldiers

WASHINGTON, July 7.—(AP)—The army disclosed today that 102 soldiers have been executed during this war—all except one for murder or rape.

The exception was a man twice convicted of deserting under fire, in Europe—the first soldier to be put to death for a purely military offense since the civil war.

Of the others, 47 were condemned for murder, 43 for rape and 11 for both murder and rape.

In addition, more than 300 death sentences have been imposed by general courts martial but have been commuted to life imprisonment or lesser terms.

In the last year, 18,000 soldiers were sentenced by courts martial for offenses, comparable to felonies in civilian courts, which carry penalties of at least six months imprisonment.

At present 33,519 soldiers convicted and sentenced by general courts martial are in confinement in the U. S. or overseas. Virtually all were sentenced since the Selective Service Act was passed in 1940.

Emphasizing that the 33,519 in confinement represent the total number from the 10,000,000 who have entered the army since the adoption of Selective Service, Patterson said:

"The manner in which the soldiers have conducted themselves has reflected the highest credit on the American army."

Prepares Plunge Through Rapids

NIAGARA FALLS, Ont., July 7.—(AP)—William (Red) Hill, Jr., was ready today for his seventh mile ride through the Niagara rapids and whirlpool tomorrow in a steel barrel, unperturbed that Niagara Parks commission police had orders to prevent him from making the trip unless he obtained a permit.

"At 2 p. m. Sunday I'll take off from the Maid of the Mist landing at the foot of the Horseshoe Falls," said the 32-year-old Hill, adding that he had a couple of aces up his sleeve to offset any action by the police.

For one thing, he planned to have two lawyers on hand to do any talking in his behalf.

Hill is making the trip to raise funds to buy lifesaving equipment as a memorial to his late father, who made the same trip three times—in 1910, 1930 and 1931. The barrel he will use was built in 1930 to his father's specifications. It weighs 750 pounds and has 150 pound of ballast in the bottom to keep it upright.

Pfc. Fimple Disregarded His Own Safety

Has Been Cited For Bravery In Italian Campaign

Pfc. Harold E. Fimple, grandson of Mrs. Belle Mabry, 219 South Osage avenue, has been awarded the Bronze Star Medal for meritorious service in combat. The citation follows:

Pfc. Harold E. Fimple
"Harold E. Fimple, Private First Class, Infantry, United States Army. For meritorious service in combat from 17 July 1944 to 27 April 1945, in the Italian campaign. Pfc. Fimple maintained contact as a runner between the forward elements and the rest of the company in spite of heavy casualties and intense enemy fire. On one occasion Pfc. Fimple, disregarding his own wounds, crawled from the safety of his foxhole under extremely heavy mortar and artillery fire and administered first aid to his severely wounded company commander and carried him to safety. On another occasion Pfc. Fimple, with complete disregard for his own personal safety, climbed to the roof tops of houses on the shores of the Arige river and fired rifle grenades into the entrenched position of the enemy across the river. This action proved to be effective that it greatly aided the company in crossing the river, and reflects the highest credit on himself and on the armed forces of the United States. Entered service from Sedalia, Missouri.

Spinal Adjustment Increased Red Blood Cells

I have stated in this column before that chiropractic spinal adjustments have an effect upon the blood production of the body. Our national research department has recently conducted some experiments which substantiate this statement. Blood specimens were taken before the spinal adjustment was given and one hour after; the tests were made by independent laboratories. 192 persons were used for experiment during three months.

Detailed reports are given of the dates and blood count and it shows that increases of from 300,000 to 1,070,000 in the red cell count were obtained in one hour after spinal treatment. As a result of the evidence given the research director says, "it proves conclusively that red cell formation is causally related to conditions existing in the spinal column."

After the several months treatment (spinal) the evidence shows "one consistent finding, namely that there is a very steady improvement in the number of erythrocytes (red cells) over a period of regular adjustments."

Th nerves from the spine have an influence on EVERY function of the body and by restoring NORMAL nerve supply many remarkable results are obtained.

Try chiropractic, it may restore your health.

War Prisoner Visits Home In California

The June 28 issue of the California Democrat carried a story about Lieut. Wayne Scrivner, who arrived at the home of his parents, Mr. and Mrs. O. D. Scrivner, June 25, after being a prisoner of war of the Germans nearly 14 months.

The Scrivners, now living in California, formerly lived in Otterville. Lieut. Scrivner gave the following account of his capture March 9, 1944, when the B-24 on which he was a bombardier had made a mission to Berlin, dropping bombs on a target in the outskirts of the city:

"Over Hanover, while returning to our base in England, we got a lot of flak and our ship took fire. At an altitude of 20,400 feet our entire crew of ten men, none of whom had been injured by the flak, parachuted to earth, a distance of nearly four miles, which required about 15 minutes' time. It was my one and only experience at parachuting.

Landed Safely
"We landed safely, scattered over an area of two to three miles, at the outskirts of a little town. A German anti-aircraft battery located there quickly rounded us up. I fell backwards when I hit the ground. A German soldier was over me almost immediately. I made no attempt to get up. He helped me to my feet, remarking as he did so, 'For you the war is over.'"

The remainder of Lieut. Scrivner's story deals with his treatment by the Germans, which, for him, was not bad with the exception of lack of food—a condition which was greatly relieved by Red Cross packages.

He returned to the United States by boat, spending six and one-half days coming from La Havre, France, to Boston, where he landed June 21. By early morning June 25 he was home.

Two Soldiers From This Area Do Their Part

Technicians At Second Base Air Depot in England

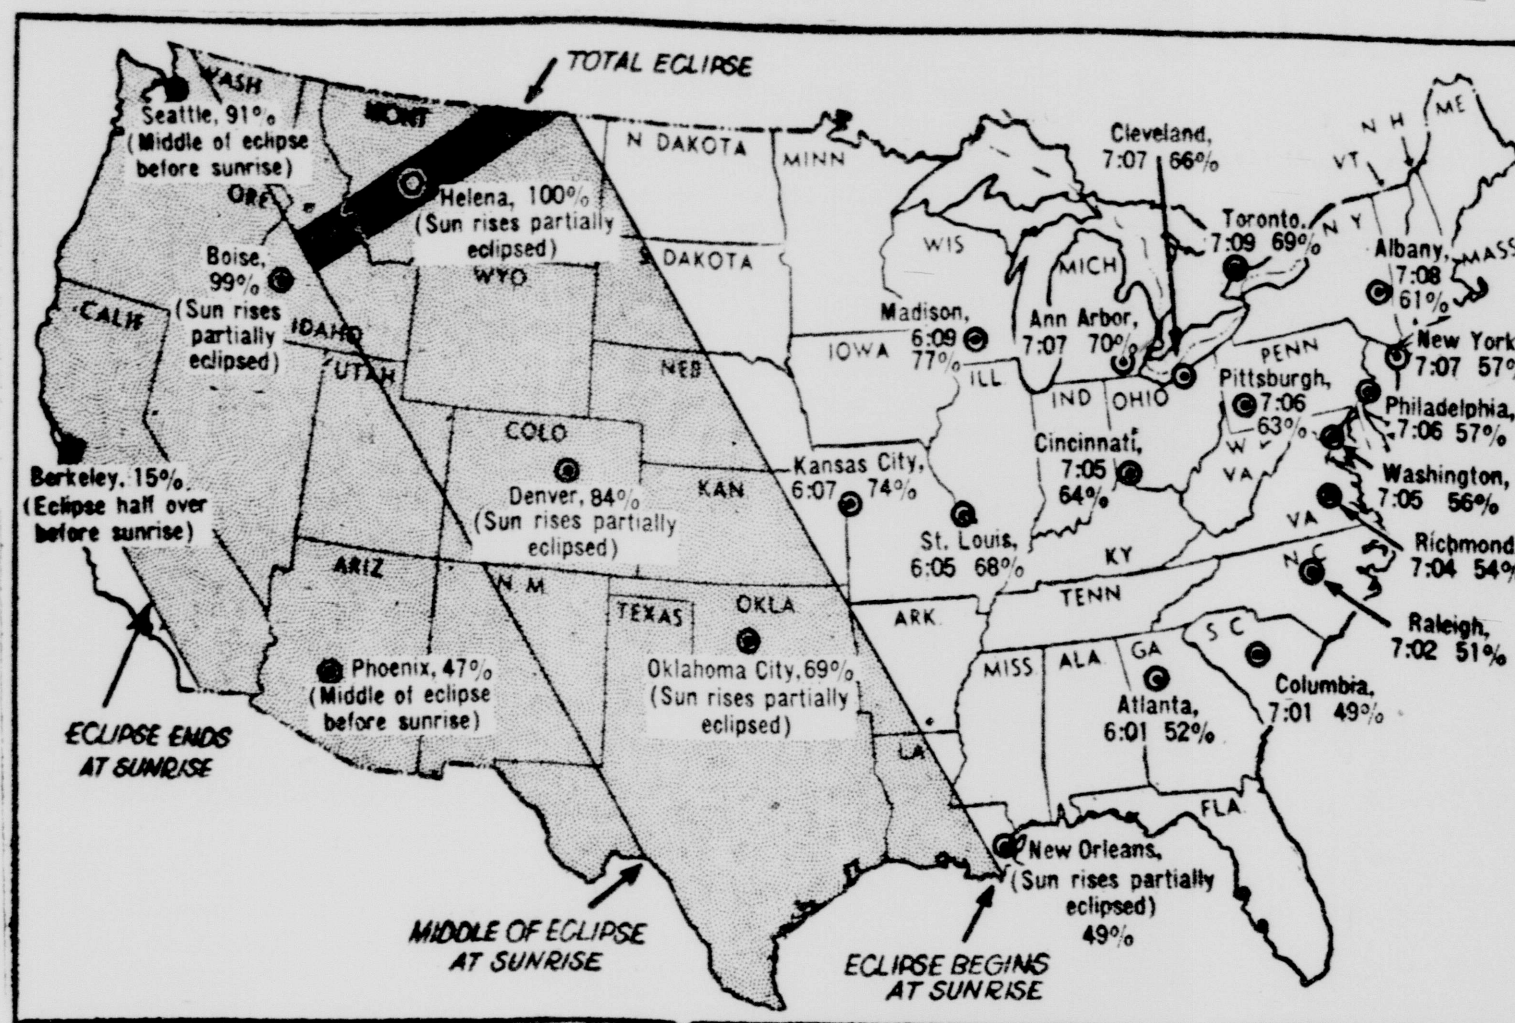

SECOND BASE AIR DEPOT, Blackpool, England—Ten thousand combat planes repaired and modified in 18 months—over 20 a day and more planes than the entire Luftwaffe had at its peak 1940 strength—is the record achieved by two soldiers from the Sedalia area and their fellow aircraft maintenance technicians at the Second Base Air Depot in England final ETO production figures of the Air Service Command reveal.

The soldiers are Cpl. William Richardson, husband of Mrs. Hazel Richardson, Beaman, Mo., and Cpl. Herbert F. Strelow, husband of Mrs. Nadine M. Strelow, 623 East Eighteenth street, Sedalia.

Production Climbed
Utilizing scores of their own time and manpower saving inventions, the men at the depot watched their production figures climb in support of each major Allied advance. During March and April, as fighters and bombers smashed obstacles in the path of the sprint from the Rhine, the depot hit its all-time production peak, turning out better than a plane an hour, for a monthly average of 800 ships.

With almost half their total output P-51 Mustangs, and an additional fourth B-17 Flying Fortresses and B-24 Liberators, the two Sedalia soldiers and their fellow crew members repaired and modified more than 25 different types of aircraft.

How U.S. Will See Eclipse

This map shows how various sections of the U. S. will be affected by the July ninth total eclipse of the sun, which starts at sunrise near Boise, Idaho, travels north-east across Canada at about 2,000 miles an hour, then over Greenland, Norway, Sweden, Finland and Russia, ending at sunset in western Turkestan. In map's white area the eclipse begins after sunrise. Figures at city names give eclipse time and degree of totality. Only in the strip from Boise through Helena, Mont., will the eclipse be practically complete. In eastern half of shaded section, the eclipse begins at sunrise. In western half sunrise comes in the middle of the eclipse. Would-be watchers along the coastal strip of southern California (white on map) will miss it altogether as it will be over by sunrise. Returns From The Caribbean

Charles N. Warren, aviation chief radioman, U.S.N., of 514 1/2 South Ohio, Sedalia, Mo., has returned from a tour of duty in the Caribbean, where he served with the Navy's Patrol Bombing Squadron 214.

Using big Mariner flying boats, the squadron ranged over thousands of miles of ocean on convoy coverages and anti-submarine sweeps. Pilots and aircrewmembers frequently found boredom their chief enemy during long hours of wearying routine patrols. Although one plane was forced down, its crew was saved and the squadron lost no personnel during its 20 months of duty—a reflection on the skill of both flying and ground crews.

Chief Warren is the son of Mrs. C. E. Warren of Sedalia.

SOCIAL EVENTS — CLUBS

Mr. and Mrs. V. C. Richardson, 909 East Thirteenth street, announce the engagement and approaching marriage of their daughter, Gladys, to Mr. Richard E. Younger, son of Mr. and Mrs. A. W. Younger, 920 West Second street. The wedding will take place sometime this month.

Miss Mary Katherine Dowdy, daughter of Mr. and Mrs. S. E. Dowdy, of Green Ridge, became the bride of Private Bert Williams, son of Mr. and Mrs. James Williams of Fort Dodge, Iowa, at a quiet wedding at the Fifth Street Methodist church at 1:00 o'clock Friday afternoon, July 6. The pastor, Rev. H. U. Campbell, read the double ring ceremony, before an altar decorated with baskets of white gladioli.

Attending the couple were the bride's cousin, Miss Jean Fowler of Rupert, Idaho and the bride's brother, Mr. George M. Dowdy.

The bride was attired in a street length dress of navy blue crepe with white accessories and her corsage was of red roses.

Miss Fowler wore a street length dress of pink butcher's linen with white eyelet trim and her accessories were white. Her corsage was of white carnations.

The bride was born in Bates City, Mo., but went to Green Ridge in early life with her parents and was graduated from the high school there. For the past three years she has resided in Sedalia and during that time has been employed by the Sedalia Bank and Trust company.

Pvt. Williams entered service before Pearl Harbor in the Air Corps. He served as a paratrooper in the African campaign and was overseas nineteen months. He wears four battle stars for the campaigns in which he participated. For the past ten months Pvt. Williams has been stationed at the Sedalia Army Air Field.

The young couple left immediately on a wedding trip and upon their return will be at home at 301 West Fourth street.

Mrs. D. P. Dyer, 524 South Grand avenue, honored her daughter, Mrs. Edgar McQuiddy of Chicago, Mrs. J. H. McQuiddy of St. Louis and Mrs. C. E. Messerly, Jr., and Mrs. John E. Lamy of St. Louis, Mich., at a 1 o'clock luncheon Bridge Friday afternoon at the Heard Memorial clubhouse. There were 60 guests.

Other out-of-town guests were Mrs. William B. Lewis of Pittsburgh, Pa.; Mrs. Frances X. Mulvihill of Chicago; Mrs. Joseph Cummings of New Rochelle, N. Y.; Mrs. William Pearl of Philadelphia, Pa.; and Mrs. Richard Wilks of Kansas City, recently returned from Great Neck, L. I.

Luncheon was served at the individual card tables which were decorated with bouquets of garden flowers.

Winners at 13 bridge tables and of one group playing rummy selected their awards from a table of gifts on the stage of the main club room, as the scores were read. Holders of the honors in bridge were Mrs. E. M. Stafford, Jr., Mrs. Huga Sparr, Mrs. Harv Brimmer, Mrs. J. R. Knox, Mrs. E. L. Spangler, Mrs. Lawrence Geiger, Mrs. Leo Bloess, Mrs. C. R. Bothwell, Mrs. W. F. Keyser, Mrs. John McGrath and Mrs. Cummings and

Mrs. John Menefee, consolation. Mrs. Howard Roberts received the rummy award.

Favors were presented the guests of honor by Mrs. Dyer.

There were 13 at luncheon for the Tuesday Game Day at the Heard Memorial clubhouse. The weekly event will be held this Tuesday, with reservations to be completed by the close of Monday morning.

There were 145 reservations for the annual Fourth of July picnic supper at the Sedalia Country club Wednesday evening. Floral arrangements with red, white and blue decorations carried out a patriotic color scheme.

The Wednesday card party will be held as usual this week, with reservations for the 1 o'clock luncheon to be made by Monday noon.

Sunday night suppers complete the scheduled weekly events.

Miss Ruby Williams and Mr. Ray Wilhelm were married Sunday, July 1, at the home of Mrs. L. Cassill in Kansas City, Kas. The wedding ceremony was read by Rev. A. Smith of Independence, Mo.

The couple was attended by Mrs. John Witcher, of Sedalia, sister of the bride, and Glenn Jenkins, U.S.N.R. of Chicago, Ill. The bride was a former Sedalia girl, the daughter of the late, Mr. and Mrs. W. J. Williams. She was reared in the Maplewood district and was graduated from the Sedalia high school. For the past several years she has been employed at the Carpenter Paper company in Kansas City.

Mr. Wilhelm is employed by the Ward Buick Motor company, Stillwater, Okla.

Following the wedding a dinner was served at Mrs. Cassill's home.

Guests at the dinner were: Mr. and Mrs. Wilhelm, Rev. A. Smith,

The following members of the Red Cross Canteen will go to the SAAF Sunday afternoon and serve refreshments to the men in the station hospital: Mrs. H. F. Rapp, Mrs. J. B. Poundstone, Mrs. I. K. Espe, Mrs. Henry Neimann and Mrs. D. C. Davis.

Mrs. John C. McLaughlin, chairman of knitting, is asking that all work now in the hands of the volunteer knitters be completed and returned to the office by July 16. There is a good deal left over yarn on hand which has been re-assembled and is ready for distribution. Several sleeveless sweaters, socks and watch caps are to be made. Another quota of yarn will arrive presently at ARC headquarters. It must be remembered that the war is still going on in the Pacific, and that, strange as it may seem, nights in the Pacific area are cold. A short time ago we published a letter from a serviceman in the P. I. to this effect. So please finish the word on hand, return it to the Red Cross office, and then be prepared to go on with your knitting so long as there is need for these articles.

Last Tuesday morning Mrs. Harold Dean, chairman of volunteer special services met with the members of the various Red Cross Corps and departments. Reports were made, and it was decided that in the future meetings would be

held on a quarterly schedule, except in an emergency.

Classwork in the streamliner staff assistant course will begin Monday, July 16, with Mrs. Herbert Seifert instructing. We can still accept a few more names, if you will call the Red Cross office, 618.

Jefferson City Jr. Legion Is Coming Today

Pete DeLong, St. Louis, Will Umpire Game At Local Park

The Jefferson City Junior Legion baseball team will come to Sedalia Sunday afternoon to play their fourth game in the Junior Legion district play-off. The Jefferson City boys have defeated Marshall twice and Sedalia once. On the Fourth of July Sedalia journeyed to Jefferson City to play the first of their games in the district play-off and after one of the hardest fought games the Sedalia team has had this year they were forced to drop the game by a 2 to 0 score.

Many of the Sedalia fans will recall the game last year between Sedalia and Jefferson City which was umpired by Pete DeLong of St. Louis. Mr. DeLong is on the roster of umpires for both the National and American Leagues. He is officiating at league baseball games in St. Louis this season and has umpired for the Cardinals on numerous occasions. Every one will enjoy seeing him umpire the game today and everyone can be assured that it will be a good fair game and will be played in fast time.

Manager and Coach Bill Walker plans on using May on the mound and Schumaker on the receiving end. Livengood in left field, Tugle on second base, Thomas at short stop, J. Waters in centerfield, Cooney on first base, R. Waters on third base and C. Rodgers in rightfield. Manager Walker will hold in reserve Beck, Miller, Walker, Meyer Holst and Momborg. All the above-named players made the trip to Jefferson City on the Fourth of July where they suffered defeat. They are all in shape for the game today and feel that they will send Jefferson City home on the small end of the score.

A big crowd is expected to be on hand at the Liberty Park diamond today when the game is to get under way at 2:30 p. m.

Inter-City Matches Here On Thursday

The Sedalia Country club will be the host club to the inter-city golf matches, this Thursday, the first time since 1942 when the inter-city matches were cancelled because of the war. The local team at present leads the inter-city matches, having won at the first rounds in Jefferson City two weeks ago.

T. H. Yount, team manager of the Sedalia aggregation, is arranging his team so it will be prepared for anything which might occur Thursday, and especially is encouraging the players to hold on to the lead they now have.

Sedalia in the three years the beautiful cup has been at stake, has never had it's name engraved upon it. The other three teams, Fulton, Columbia and Jefferson City have won the cup once. The team winning it three times gains permanent possession.

The tournament last Fourth-of-July brought out a good number of Sedalia Country club players and in these matches several players shot scores which may place them on the club team this Thursday.

Following the tournament Thursday a dinner will be served. Club members desiring to attend the dinner, other than the players, must make reservations by Tuesday noon.

Sport Scraps

(by D. K. SCRUTON)

TODAY opens the annual Girl Scout camp, and the Girl Scouts of Sedalia will nodoubt be well represented in this annual affair. Certainly the women of Sedalia who have taken so much interest in the girl's of scout age and have been sponsoring them along in this movement are to be congratulated; they have been, and are doing a great job.

In Sedalia and Pettis County today there are, according to information passed on to me, more girls registered as scouts than there are Boy Scouts. It was also brought to my attention there is a much larger number of girls in scouting in comparison than boys in this city and county, hence something must be wrong.

I know the sponsorship of Boy Scouts in this city is in good hands, and the troop leaders are the best any city or county could want. However, there is friction, not among the local organization itself, but in the Scout Council of which the local organization is a part. This friction, to my knowledge, has existed for more than three years and will continue so unless something is done, and done soon. It is hurting Scouting in this area and Sedalia members of the Council realize it.

Well do I remember when Sedalia had it's own council, then in the depression years the National organization recommended the combining this Council with that of Jefferson City and naming it the Lake of the Ozark Council. It was O. K. for a time, but became poorly managed, according to the information given me, resulting in some heated discussions in the meetings of the council members.

Some sad things have happened in this area under Scout Executives, much to do harm to Scouting. The way this section has been handled has benefitted Sedalia, Marshall, Slater, Warsaw, Windsor, and other cities in this area very little, and it is high time a change is made.

Our youth is entitled to the benefits of Boy Scout training, and if we are going to benefit the majority then let's do it. Personally I have suggested to local members of the Council to withdraw from the Lake of the Ozark Council and go back to the old Sedalia Boy Scout Council.

SATURDAY night I was informed Scouting in Sedalia has dropped nearly 1,000 percent since last February. There are less Scouts taking an interest and the work for merit badges has fallen off so much it has almost become embarrassing for the leaders here to write for badges, there are so few.

Due to a discussion most recent, I was told that Ike Wall, the Scout Executive who is over the Lake of the Ozark Council, has announced there was not sufficient adult leadership here to go on with the annual summer camp at Montserrat, also the annual spring Camporee usually held at the State Fair grounds was discontinued. This was a great disappointment to the local Scouts, and one can easily see their lack of interest as of today.

I do not believe there would have been a lack of adult leadership, knowing the interest local Scoutmasters have in their troops and the men who head Scouting here. I see no reason why the kids of Sedalia and territory should be penalized such.

Things are in a bad state of affairs and if Mr. Wall can't straighten them out, then National Headquarters should take a little interest and see that something is done. Our youth should not suffer because someone is being stubborn.

I was told even Jefferson City parents are not quite satisfied with the arrangement, and not because of Sedalia, but of the way the Council is handled. Sedalia has no crowd to pick with the Jefferson City Scouts or their local Scout leaders—it is only the Council. I was also informed that a parent of a Jefferson City Scout, complained the registration of Scouts there wasn't what it should be.

Positively it can't be scouting that is the draw back, because it is the best training a young boy can have in his growing years. Everything that a boy from Cub Scout age, nine up to twenty-one, needs to learn to become a leading citizen can be obtained through Boy Scout training.

If Sedalia cannot get along in the Council, and it "petty politics" are being played by the Council heads, then let's get back in the groove and pitch for Sedalia and its own territory, for its own Council.

AUT SWENSON, well known to racing enthusiasts, is coming back to the Missouri State Fair after a layoff of two years. Swenson came here before with automobile races, and produced some of the most thrilling auto races seen on the mile track, but this season he brings a thrill show. The war has cancelled all automobile races, even down to the midget races which he had hoped to bring here this August.

Aut sent me several pictures of acts of his thrill show, one of which is seen in this column. He calls it the super-sensation of the century

car up a sixty foot rampway that is eight feet high at the top. A leap of approximately 100 feet in length and almost 15 feet high is the result. What happens to the stunt man is anyone's guess.

Swenson, is vice-president of the All American Thrill Inc. of which Frank R. Winkley is president. The troupe they have assembled for their thrill show are some of the leading stunt men of the country, all who have appeared throughout the country. Several of the men were recently discharged from the service after being in the various outfits of the United States Navy, Marines, and Army.

Ferrell Sets A Catching Record

ST. LOUIS, July 7—(P)—Rick Ferrell, 38-year-old catcher for the Washington Senators, set a new all-time American league catching record as he appeared in the starting lineup of the first game of a twilight night double-header between Washington and the St. Louis Browns last night.

Ferrell, catching his 1,722nd game, broke the games-caught record held by Ray Schalk, former Chicago White Sox catcher.

SAAF Officers And Eagles Tie In League

Boy Scouts Playoffs Start This Week To Continue 3 Weeks

Twilight League

The first round of the Twilight softball league came to an unexpected conclusion when the SAAF Officers and the Missouri Pacific Eagles, both unbeaten in league play, played to a four to four tie in a game that was called because of darkness at the end of the regulation time.

As a result these two teams will meet again on Wednesday evening promptly at 7 o'clock to determine the winner of the first round. This game will be played on the Smith-Cotton athletic field as are all Twilight league games.

The second half of the split season will begin Tuesday evening with all teams starting with a clean slate. Montgomery Ward will meet Rosenthals and the SAAF Officers will meet Sacred Heart. The winner of the first round will play the winner of the second round for the league championship.

Boy Scout League

The past week witnessed the end of the regular schedule in the Boy Scout softball league. Twelve scout troops have participated in this event during the past five weeks and numerous spectators have enjoyed the games. Three games were played at a time and the Smith-Cotton athletic field was well filled with scouts from 6:30 until 9 o'clock each Thursday evening.

For the next three weeks the playoffs will be held to determine the first four places.

Thursday evening Troop 51, the champion of the American League, will play Troop 56 the second place team of the National League on the north diamond. Troop 50, the champion of the National League will meet Troop 57 the second place team of the American League on the south diamond. These games will start promptly at 7 o'clock.

Winner will then play winner and loser will play loser on the following Thursday. The team winning both its games will be given the league championship. The team losing both its games will have fourth place. The two teams having a record of one win and one loss in the playoffs will then meet for second and third place.

Smith-Cotton's League

Play has continued with increased interest in the Smith-Cotton baseball league as six teams, composed mostly of grade school boys, play their games each Tuesday, Wednesday and Thursday afternoons, at Smith-Cotton.

At present two midget teams are being formed for a series of games. Games this week found the Coal Chute Sluggers defeating to Mo-hawks, 8 to 6, in a game requiring two extra innings. The Knot Hokers overwhelmed the Pirates, 13 to 2, and the Red Birds won their first game of the season by winning over the Gremlins, 6 to 5.

This Week's Schedule
Tuesday—1:45 p. m.—Pirates vs. Coal Shute Sluggers.

Wednesday—10:00 a. m.—Pirates vs. Gremlins; 1:45 p. m.—Mohawks vs. Red Birds.

Thursday—1:45 p. m.—Knot Hokers vs. Gremlins.

Browns Hitting Overpowers Senators

ST. LOUIS, July 7—(P)—The St. Louis Browns unleashed a 12-hit attack to overpower the Washington Senators 7 to 3 and halt the Senators' winning streak in a game at Sportsman Park tonight. The American league champions' hits included a homer by Mark Christman with one on in the fourth and a triple by Pete Gray in the sixth, which scored Don Gutteridge.

George Binks hit a home-run in the second with a man on base to account for two Washington runs.

Sig Jakucki went the route for St. Louis, allowing six hits. Roger Wolff was routed by the Browns.

Merchants Journey To Versailles Today

The Sedalia Merchants baseball team will journey to Versailles where they meet the club at that place this afternoon. Hal Green will be on the mound for Sedalia and will probably be opposed by Bob Brunkhorst for Versailles. The Merchants will leave at 12:30 from Hugies and the following players will make the trip: Livengood, Lobaugh, Light, Morris, Ellsworth, Shirley, Williams, Ray, Norman, Green and Manager Nichols.

Detroit Beats Yanks In Tenth

Detroit 3, New York 2

DETROIT, July 7—(P)—Roger Cramer's 10th inning triple into the left field corner with nobody out scored Rudy York, who had singled, and enabled the Detroit Tigers to beat the New York Yankees 3 to 2 today for Lefthander Hal Newhouse's 13th victory.

Cramer's game-winning blow was his fourth of the game in five times at bat and pinned the defeat on Righthander Bill Zuber, who went all the way for the Yanks and allowed 13 hits.

Newhouse giving nine hits, thus became the winner of his third extra-inning duel this season—the only ones Detroit has played. The narrow triumph was the Tigers' 17th one-run decision of the season against eight such defeats.

Detroit grabbed a two-run lead in the second inning on York's single, Cramer's double, Bob Maier's walk, Paul Richards' hit that Right Fielder Art Metheny lost in the sun and an infield boot by Frank Crossetti.

Singles by Mike Barback and George (Snuffy) Sturweiss and Crossetti's double off the left field wall cut Detroit's edge to 2 to 1 in the fifth and the Yanks tied it up in the eighth by filling the bases on an error and two hits before Newhouse walked Mike Barback to force the tying tally across.

Detroit put men on first and second in the ninth with nobody out but Zuber got through the inning without damage.

Newhouse walked three men and fanned six to bring his strike-out total to 107 for the season. He now has won 13 games and lost five.

Crossetti hit himself on the left ankle with the bat while swinging in the ninth and Mike Milesevich played the 10th inning at shortstop.

Boston 8, Cleveland 6

CLEVELAND, July 7—(P)—Mike Ryba pitched the Boston Red Sox to an 8-6 victory over the Cleveland Indians today as his teammates nicked four Tribe pitchers for 11 hits, including home runs by George Metkovich and Ed Lake.

It was the first series victory for Boston in three stars. Mike Ryba relieved Jim Wilson in the fourth inning after each team scored three runs in the opening inning. Victor Johnson was called in the final stanza.

Cleveland's veteran Al Smith was knocked out of the box in the second and rookie Earl Henry took over. He was relieved by Ed Klemm and Pete Center.

Jeff Heath belted his fourth homer of the season in the first inning, scoring Micky Rocco and Paul O'Dea.

White Sox 1, Philly A's 0

CHICAGO, July 7—(P)—The White Sox broke their six game losing streak when Outfielder Wally Moses' steal of home game them a 1 to 0 victory over the Philadelphia Athletics in the first game of a doubleheader today and then pounded Russ Christopher, the A's 11 game winner, for 18 hits and a 12 to 4 victory in the second.

Bill Oietrich shaded Luther Knerr in the opener, although the A's outbit the Chicagoans, nine to six.

Christopher suffered his third straight defeat and his fifth of the season.

The defeats extended the A's slump to 18 defeats in 20 games.

Johnny Cooney Signs With The K. C. Blues

SARASOTA, Fla., July 7—(P)—"Johnny" Cooney, major league baseball star for 25 years—18 with the National league—signed yesterday with Manager Casey Stengel of the Kansas City Blues, as player-coach.

Seeks Revenge With Ray Eckert

Don McIntyre, Otterville, hopes to even things up, Tuesday night, when he meets Eckert from California, Mo., in the main event on the wrestling card sponsored by the Pettis County Post No. 16, American Legion, at the State Guard Armory. These two met two weeks ago and the final fall won by Eckert resulted in a free-for-all riot in the ring.

Dodgers Turn Tables And Defeat Cards

Victory Kept Brooks On Top By Eleven Points Over Cubs

BROOKLYN, July 7—(P)—Facial with the possible loss of their National league lead, the Dodgers turned on the St. Louis Cardinals today and whipped the defending champions, 10 to 7.

The victory kept the Brooks on top by 11 percentage points over the Chicago Cubs who blanked the Phillies.

Smothered 15-3 in last night's game, the Brooks got off to an early lead today with four runs in the first two innings and by the end of the seventh had piled up a 10-3 margin, sufficient to stave off the Cards' late bid.

A four-run uprising in the seventh accounted for the winning runs. All were made off Al Jurisich, the fourth of five Cardinal pitchers.

Augie Bergamo, of the Cards outfield, retired in the fourth when he injured his right wrist in an unsuccessful attempt to make a shoe string catch off Galan's bat.

Boston 7, Pittsburgh 6

BOSTON, July 7—(P)—Tommy Holmes added another tally to his new record today as he hit safely in his 35th consecutive game while the Boston Braves edged the Pittsburgh Pirates 7 to 6.

Holmes' 35th was a scratch hit that bounced off Frank Colman's glove and in his other three appearances at the bat the Braves right fielder walked once, grounded out to first and popped out to short stop.

With the score tied, 6-6, Phil Masi, first man up in the eighth, won the game for the Braves with a homer over the left field fence.

The Braves were leading 6 to 2 going into the Pirates' half of the eighth. With one out, Dick Culler muffed Ol Gionfriddo's grounder, Colman singled and three runs came in on Bob Elliott's fourth homer of the season.

After Johnny Hutchings walked Johnny Barrett, Mort Cooper took over the Braves' pitching assignment. Bill Salkeld, pinch hitting for Vic Barnhart, doubled off Cooper, bringing Barrett home.

The Braves built up their early lead with a five run fourth inning rally when Holmes singled and Chuch Workman walked. Phil Masi's single scored Holmes and Workman came in on Carden Gilenwater's single.

Chicago Cubs 3, Phillies 0

PHILADELPHIA, July 7—(P)—The Philadelphia Phillies, unable to check the pennant hopeful Chicago Cubs, suffered a 3 to 0 setback behind the six-hit pitching of their former teammate, Claude Passeau, who chalked up his ninth consecutive victory to run the Cub's string of wins to seven straight.

Mickey Livingston, Subs' catcher, stopped a pitch by Charles Schanz and seven stitches were required to close the cut on his cheek. He was taken to Jefferson hospital for an X-ray. Andy Seminick, Phil's catcher, injured his right knee when he fell against the concrete stands after catching a foul ball in the first inning and retired.

Giants Take Two From Reds
NEW YORK, July 7—(P)—The Giants climbed into a four-way battle for first place in the National league today by whipping Cincinnati in both ends of a double header, 3 to 1 and 11 to 7.

this summer for Durante and
Moore promises that to be a
thing of the past (KMBC—Fri-
days, 9:00 p. m.).

THAT BRINGS TO MIND—
SOMETHING NEW, something
good every day of the week on
KMBC: "The Silver Theatre" re-
turned to KMBC Sundays at its
own time of 5:00 p. m. . . . "The
Merry Life of Mary Christmas"
on Mondays at 7:30 p. m. . . .
"Columbia Presents Corwin"
Tuesdays at 8:00 p. m. . . . Ann
Sothern in "Maisie" Thursdays
at 7:30 p. m. . . . and something
that's always good and refresh-
ingly new, "The Brush Creek
Follies," Saturdays at 10:00 p. m.

HOW'S THIS FOR A LIFE?
Writing for a radio is the ambi-
tion of just about everyone. Then
there are those
who would give
a right hand to
star in their own
radio program.
Show us the
woman who
doesn't like
clothes. To be
in on advance
showing in the
style centers of
the nation would
put any woman
in another world. All of this
rolled into one happens to be the
life of Joanne Taylor, heard
weekdays over KMBC at 9:00 a.
m. She returned only a short
time ago from another of her
seasonal jaunts to New York
—and listeners to her "Fashion
Flashes" got inside info on some
major style trends just around
the corner.

"I'll Be Seeing You" at The Fox

TRIO OF STARS make the poignant film drama, "I'll Be Seeing You," one of the most out-
standing productions to come to the Fox Theatre this season. They are Ginger Rogers, Shirley
Temple and Joseph Cotten, pictured above in one of the tenderly emotional sequences. Spring
Byington and Tom Tully head a fine supporting cast. Now playing at the Fox.

Can Food At Club Meeting At Winters Home

Fifteen pints of food were
canned at the recent meeting of
the Maplewood 4-H Canning club
held at the home of Wanda Win-
ters. The cans contained black-
berries, plums, greens and peas
and carrots.

One demonstration was given
during the business meeting. The
roll call was answered by all
members except one.

The hostess was assisted in
serving refreshments by her
mother.

The next meeting will be held
at the home of the leaders, Mrs.
John Sutherland on July 12.

Stars with Jack Benny at The Uptown

Alexis Smith, to be remembered for her fine comedy perform-
ance in "The Doughgirls," returns to the screen of the Uptown
Theatre today as Jack Benny's lovely co-star in Warners' "The
Horn Blows at Midnight." Also featured in the film are Reg-
inald Gardiner, Dolores Moran, Allyn Joslyn, Guy Kibbee and
John Alexander. Shown in conjunction is the vivacious musical
"Harvest Melody" starring Rosemary Lane and Johnny Downs.

The above picture, the work of Captain Trew Hocker, with the Training Aids division, AAF, New York, N. Y. 2nd Service Command, is a photograph of the original on display at the exhibition of "Soldier Art", consisting of paintings, drawings, sculpture and photographs by officers and enlisted men in the country, sponsored by the Special Services division, Army Service Forces, now showing at the National Gallery of Art, Washington, D. C. They are all works done in off-duty time. The exhibition will remain at the National Gallery through September 4. Capt. Hocker is a son of Mr. and Mrs. W. W. Hocker, of route 1, Cole Camp, and a grandson of Mrs. Iva Hoffman, 520½ South Ohio avenue. The scene depicts soldiers "shipping out" at Jefferson Barracks, in St. Louis.

Martens Buy Drug Store On Engineer Ave.

Mr. and Mrs. O. A. Martens have purchased the business known as the East End Drug Store, which is in the Tillbery building, recently bought by Mr. and Mrs. Martens, at Fifth street and Engineer avenue and which they will continue to operate. A. C. McGowan, well-known Sedalia druggist, who for the past eight years has been employed at the East End Drug Store will remain as druggist. All other present employees will continue to work for Mr. Martens.

The entire building is now undergoing extensive repairs and the large hall, known as Tillbery hall, in which many Sedalians recall having spent many happy hours, will be completely renovated and will be available very soon for organization or private affairs.

Moved To New Property
Mr. and Mrs. Martens have moved from their home at 1501 West Twentieth street, to their newly acquired property at 511 South Engineer avenue, which is

AMAZING DISCOVERY IN A HEARING AID

A big improvement has been made in a hearing aid now welcomed by thousands. It is a new hearing aid that does not require separate battery pack, battery wire, battery case or garment to bulge or weigh you down. So small it fits the palm of the hand. The tone is natural, noiseless, clear and powerful. So made that you can adjust it yourself to suit your hearing changes. The representatives of Beltone-Kansas City Hearing Service, 1001 A Grand Avenue, Kansas City, 6, Missouri, are so proud of the achievement of the Beltone, that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Timberwolf Division Members Home

Pfc. Eugene R. Smith, son of B. F. Smith and brother of Mrs. Harry Burford, 1609 South Vermont avenue; S/Sgt. Herman E. Smith, son of Mr. and Mrs. Tom N. Smith, Houstonia, Mo.; and T/4 Harold G. Brockman, son of Mr. and Mrs. F. B. Brockman, Route 1, Ionia, all with the 104th Infantry Timberwolf division, have returned to the United States and will receive 30-day furloughs which they will spend at their homes.

Pfc. Eugene R. Smith participated in the northern France, central Europe and Rhineland campaigns.

T/4 Brockman was in the campaigns of northern France and the Rhineland.

S/Sgt. Herman E. Smith took part in the Holland, Belgium and Germany campaigns and was awarded the Expert and Combat Infantry Badge, Good Conduct Medal and the Bronze Star Medal.

The Timberwolf division was the first to travel directly from the States to France. Little more than a month after landing, the Timberwolves, led by Major General Terry Allen, went into the line and remained in continuous combat for over six months. After fighting with the First Canadian Army line at Aachen, in a slashing campaign that was featured by night attacks, the division drove through the industrial Eschweiler area, then pushed ahead to take Cologne.

Stabbed Into Reich

Once across the Rhine at the Remagen bridgehead, the division stabbed furiously into the heartland of the Reich, taking part in the Ruhr pocket encirclement.

The final phase of Timberwolf combat in Naziland saw the men of the 104th racing to the Mulde river where the last remnants of the Wehrmacht were crushed between the Russians and the American First army, making that sector the first in Germany to be cleared and completely conquered.

This victorious division, which has never given an inch, is in the United States now. While here combat veterans will be granted furloughs and will be given training to prepare them for further battles in the Pacific against the Japanese.

Sue On Premiums On Insurance

Two suits were filed in circuit court Saturday by the American Fidelity and Casualty Company, a corp., for unpaid premiums on insurance policies. One suit is against A. B. Fletcher, Robert Fletcher, Regina Franken and A. B. Fletcher, Jr., doing business as the Fred Harvey Bus Line, and the other is against the Sedalia-Marshall-Boonville Stage lines.

In the first suit the company asks judgment of \$134.91 for unpaid premiums, the difference between the premiums on the policy . . . \$3,032.91 of which \$2,898. were paid. The second is for \$448.60 the difference between the premiums of \$15,684.64 of which \$15,236.04 were paid.

Lamm and Barnett represent the plaintiffs.

Slaughtering Percentages

The maximum percentages of good and choice grade cattle, on a dressed weight basis, that may be slaughtered during the next three monthly accounting periods in Missouri and Kansas as announced this week by OPA officials are: For period ending July 31, 85 per cent; August 31, 75 per cent, and September 30, 65 per cent.

On Transport

Coast Guardsman Chester Leiter, Yeoman first class, of 1501 East 16th Street, Sedalia, Missouri, is shown at his battle station as gun talker on board a Coast Guard manned troop transport engaged in carrying men and materiel to advanced areas in the Pacific theater. Chester's three brothers are also in the fight for freedom—Ralph, a carpenter's mate second class, is in the U. S. N.; Woodrow, a second mate, is in the Merchant Marine; and Noah, a technical sergeant, is in the U. S. Army. Chester is a graduate of the Smith Cotton high school and entered service immediately after his graduation.

Sharp Decline On The Rye Market

By Willard Robertson

CHICAGO, July 7.—Rye futures were extended in further liquidation today, reaching more than 3 cents a bushel at times before moderate rallies pushed prices up slightly from the low points.

Wheat and oats, down most of the session in sympathy with rye, rallied to close with slight gains.

Rye closed 1½ to 2 cents a bushel lower. At the day's close, rye prices were off about 15 to 16 cents from the seasonal highs of two weeks ago, and off 9 to 11 cents from the close last Saturday.

Wheat closed today ½ cent off to ¾ cent up from yesterday's finish. July \$1.85½ corn was unchanged to ¼ cent lower, July \$1.18½, oats were unchanged to ¼ cent up, July 65½, rye was down 1½ to 2 cents, July \$1.45½, and barley was ¾ cent lower to ½ cent higher, July \$1.14½.

War Hero

Pfc. George J. Cooper of the Tenth Mountain Infantry division, 19-year-old son of George Cooper of Longwood, has been awarded the Bronze Star for heroic achievement in action on April 14, 1945, near Lorre-Isue, Italy.

Pfc. Cooper entered military service June 5, 1944, and has been overseas since January of this year.

Pfc. Cooper's division spearheaded the drive for the Fifth Army which started on April 14 and ended May 2 when the Germans surrendered unconditionally in Italy. It also was the first division to cross the Po river.

Number Of Sedalia Negro Boys Are Home

Spending Furloughs With Relatives And Friends Here

A number of Sedalia Negro soldiers, mainly from the 356th and 366th engineer regiments, are spending furloughs with relatives and friends, following overseas combat duty.

Those reported home now are: Pvt. Hamilton Hobbs (356th) has served 22 months overseas in England and France and has been in the army three years. Wearer of two battle stars, Pvt. Hobbs is a graduate of Sedalia public schools and is the son of the late Martha S. Hobbs and William Hobbs of Hannibal. His grandmother, Mrs. Julia Presley, resides at 418 North Osage. He is remembered as an employee of the Howard Roberts stores.

Cpl. Charles L. Proctor (356th) spent 22 months in England and France as part of his three years of army service. He has received three battle stars. Cpl. Proctor is a graduate of Sedalia schools and is the son of Mr. and Mrs. Lawrence Proctor, 211 East Cooper, and husband of Mrs. Margaret Proctor, Kansas City.

Earns Battle Stars

Another 22-month service man in England and France is Technician Fifth Grade Charles Binkley (356th) who earned two battle stars. In the service two years and eight months, Cpl. Binkley was a student in the high school here before going into the army. He is the son of the late Ethel Binkley and James T. Binkley, Sr., of Kansas City, and a brother of Mrs. Gladys Johnson, 506 West Johnson.

Pvt. Glenn L. Buckner (366th) spent 20 months overseas and served in northern and southern France and Normandy, earning three battle stars. A pupil at Hubbard school, Pvt. Buckner, son of Mr. and Mrs. Cord Buckner, 310 East Jefferson has been in service three years.

Pfc. Davis Carter (366th) has been in service two years and ten months and served in England and France for 22 months, earning two battle stars. Pfc. Carter is a graduate of the Sedalia schools and is the son of Mrs. Sallie Carter, 318 East Johnson and husband of Mrs. Alberta Carter.

In England and France

Pfc. Wm. Robert Terry (366th) was overseas two years of his three years in the armed forces, served in England and France and

has received two battle stars. He graduated from school here and is the son of Mrs. Wyatt Coleman.

Noah E. Harris, technician fourth grade, (366th) also was overseas two years and wears three bronze battle stars for participation in action in northern and southern France and Normandy. He completed his schooling in Sedalia, and is the son of the late Fannie Harris and is the husband of Mrs. Gladys Harris, 408 West Johnson. Sgt. Harris has been in service 33 months.

England, France and Germany marked the service of Sgt. Clarence A. Bell (366th), who wears two battle stars. He has been in the army two years and five months and was overseas two years. Sgt. Bell is the son of Mr. and Mrs. Sherman Bell, 308 West Cooper. His wife, Mrs. Recolia Bell, lives in Chicago.

In 33 Months

Staff Sgt. J. Paul Finley (366th) formerly of Ottumville, and son of Mr. and Mrs. George Finley, 206 East Morgan, spent two years in England and France and wears two battle stars. He entered service 33 months ago.

First Sgt. William "Billy" C. Sutherland (366th) served in England and France for two years and has been in the armed forces two years and ten months. He has received two battle stars. A graduate of Sedalia schools, he is the son of Mrs. Ada Sutherland, 318 East Johnson.

Pfc. Everett E. Buckner, 3913 Quartermaster Regiment, Neurnburg, Germany, has been honorably discharged with 96 points. He was overseas 19 months, participating in three campaigns—Normandy, northern France and Germany, and had been in service two years and seven months. Pfc. Buckner attended school in Sedalia and is the son of Mr. and Mrs. Cord Buckner, 310 East Jefferson.

Buckner's wife, Mrs. Lily Mae Buckner, lives at 410 North Washington, and while her husband was in service she worked for nine months at the Sunflower Ordnance plant in Kansas. After a visit here Buckner plans to obtain employment in a defense plant in Kansas City. They have three children, James Reynal, 6, Donald Eugene, 5, and Richard Everett, 4.

In addition to three battle stars the honorably discharged veteran holds the Good Conduct ribbon.

Bounty Increased On Wolves

Bounties on wolves were increased at a meeting of county court judges of four counties held Friday at the Pettis county court house. It was decided to raise the bounties to \$10 for old and \$4 for young wolves and the judges agreed to pay at these rates for the balance of 1945.

Meeting with Presiding Judge J. V. Kesterson, Judges Edward Callis and J. L. McCurdy and Clerk J. M. Green of Pettis county were Judges Fred E. Stockman, M. W. Pile and Fred E. Jungerman and Grover C. Stevens, county clerk, all of Saline county; Judges C. A. Jones and Herman Nolting of Morgan county; Judges Bob Crocker and Levi Salley of Benton county.

The motion to raise the bounties was made by Judge McCurdy and seconded by Judge Salley.

The bounties had been \$7 for old and \$2 for young wolves.
